

**URGENT !!**

NATIONAL COALITION FOR REDRESS/REPARATIONS (NCRR)

# MARCH FOR JUSTICE

SATURDAY, AUGUST 5, 1989 2PM-4PM

**LET CONGRESS KNOW !  
NO MORE BROKEN PROMISES !**

*On August 10, 1988, the Civil Liberties Act was signed into law by President Ronald Reagan. A year has passed since the passage of the reparations law and Congress has committed no money for redress. Soon Congress will decide on the Budget for 1990. This is a crucial time to send a message that we will wait no more.*

**Stand up and be counted!** Join us in representing the over 2,000 Issei and Nisei who have died since the signing of the reparations law last August. Every month, 200 more die. We must raise our voices and demand the justice so long overdue!

**Justice delayed is Justice denied.**
